Fractals | Answers in Genesis God alone can take credit for mathematical truths, such as fractals. Such transcendent truths are a reflection of God's thoughts. Therefore when we discover mathematical truths we are, in the words of the astronomer Johannes Kepler, "rethinking God's thoughts after Him." Mathematics: Fractals and the attributes of God and the father of fractal geometry, published the first book on fractals in 1975. Considering that Euclidean geometry, the geometry that you studied in high school, dates back to circa 300 B.C., fractal geometry is very young indeed. Fractals of God (Audiobook) by Kathy J. Forti Ph.D ... The Reluctant Messenger leads the listener through a doorway into another dimension that exists simultaneously with what most people would describe as reality. Author Candice Sanderson is a psychologist whose training taught her to engage her world by the physical senses. That all changed one morning when she began to receive messages from other realms of existence, and her ordinary life.
